Science Technician

21 Hours per week

St. Osmund's C.E. Middle School is an over-subscribed Middle School for Years 5 – 8, located in the thriving county town of Dorchester. The school is proudly part of the Wessex Multi Academy Trust and is Ofsted Good in all areas (2022). The school was recently SIAMS inspected and received a strong report (2026).

We are a Church of England School built upon the Christian values of hope, community, respect and love.

We are seeking to appoint a part time Science Technician to work three days per week within our Science department. The main duties will include supporting the science team with the delivery of science lessons to all of our pupils across Years 5 to 8. Keeping the science area clean, tidy and organised with the required resources.

An awareness of the current CLEAPSS regulations would be advantageous but training can be provided.

This position is 21 hours per week, 8:00am to 3:30pm term time only. The successful candidate will be required to start Tuesday 1st September. This is a permanent position.

We are looking for a candidate with a keen eye for detail and a can-do approach to work.

At St. Osmund's C.E. Middle School we have:

- A Christian vision and values which underpin all our work,
- Pupils who are motivated and love their school,
- A safe school where young people and staff feel that they belong,
- First middle school nationally to become a **When the Adults Change Partner School**,
- A relationships policy which secures good behaviour for learning,
- A living and breathing celebration of diversity in all school life,
- Staff who work collaboratively to allow all pupils to achieve their potential, contributing positively to the world,
- Eco-Schools Green Flag (with Distinction)
- Fantastic resources, buildings and grounds which form a stimulating working environment,
- A happy school where a sense of humour is welcomed!

Closing date **Tuesday 7th July**, interviews to be held **Wednesday 15th July**.

Visits to the school are encouraged, please call to make an appointment to arrange a time when the science lead will tour you.
