## Key Words

Algorithm Al/gor/ithm	A sequence of unambiguous instructions
Sequence Se/qu/emce	The specific order of actions
Loops or Iteration It/er/a/tion	Repeating steps in an algorithm
Variable Var/i/able	A value that can change in an algorithm

Blocks

Basic	LEDs, Show string etc.
Input	On Button A, B, Shake etc.
Loops	Repeat
Logic	IF and Else, =
Variables	Create a variable Set variable to
Math	Pick Random

Variable

Maths operation

Iteration or Loop
