

Year 8 – Music - Protest songs – Autumn Term – Knowledge Organizer

Intent –

1. To create an original protest song which includes original lyrics, chord sequences and melodies
2. Complete keyboard course four

Key vocabulary

Protest lyrics – Lyrics of the song which are raising issues with injustices in life, these should be powerful and seek to create change.

Verse - repeated section of a song that typically features a new set of lyrics on each repetition. Sometimes the verse tells the main body of the story in a song

Chorus – A melodic and lyrical phrase which repeats throughout the song. This will be the catchiest part of the song which should be memorable and easily sung back.

Chords in a Key – Using the chords in a specific musical key, for example, the chords of C major are C, Dm, Em, F, G, Am, Bdim
